

Grundtvig Workshop

The Mutual Language of Textile Handicraft

16.5-22.5.2010

Lempäälä, Finland

The workshop is supported by the LLP program of the European Union (Ref. Nr. 2009-1-F11-GRU13-01554). Participants can apply for a grant covering participation in all workshop activities, travel and subsistence costs.

The workshop is for European citizens who are interested in creating textile art and handicraft products using national cultural heritage as a source of ideas, recycling materials, changing ideas with other participants and increasing skills or learning new textile techniques (felting, machine embroidery, embroidery by hand, fabric printing and painting) and combining these techniques together creatively.
