

WELCOME TO JOB SEARCH TRAINING FOR INTERNATIONAL JOB SEEKERS IN PIRKANMAA!

How and where can I find a job? In which areas could I use my skills? Which sectors need workers? Among other things, you can get support and help with these questions in the job coaching service with the help of professional coaches of Spring House. The service is suitable for TE Service's customers who want to find employment in the open labor market.

IN THE TRAINING YOU GET:

- individual support for employment and staying in work - individual coaching for a maximum of 6 months and a maximum of 50 hours depending on your situation
- working life-oriented language support
- developing the Finnish language for employment
- support for finding and staying in work
- joint work with your coach for your employment; let's solve together the obstacles that make it difficult for you to find employment
- functional coaching, job familiarization and contacting workplaces

**The training
languages are
Finnish and English.**

**The use of
an interpreter is also
possible.**
